

# E-MOCUBE

Yan Yao Li . Janice Ng . Yee Loong Ooi

The use of  
social  
networking  
leads to  
loneliness.

SOCIAL ISSUE

Make emotional posts  
through a physical object  
and that the other user in  
the household gets  
notified immediately on  
screen which can either  
comfort or share happy  
emotions with the person  
who made the post.

PROTOTYPE

Two sisters' family  
relationship  
becomes closer and  
that they quickly  
understood the  
meaning of the  
product.
